GO, GO, GO

For years now groups of people have gathered on the average of once a month to watch high powered "lawn mowers" running around the dirt and sealed tracks in Altona.

The high-action sport of Go-Karting is one which has provided endless hours of entertainment and competition for many, particularly those who have banded together under the name of the Altona Karting Club.

Our picture, left, shows Jeff Balding of Altona, trailing to Jock Maddox, another enthusiast, in a recent event.

Speeds of up to 65 miles an hour seem pretty fast when one is so near to the ground.

Go-Karting developed as a sport in the late fifties and early sixties, and had hundreds if not thousands of supporters.

In later years interest waned until only the racers and their immediate families, the true enthusiasts, were left.

The Altona Club was formed in 1960, due to the combined efforts of three men.

Mr. Eric Wilson, Mr. Don Luxford and the late Mr. Alan Rule.

Later, in 1966 they were joined by Jeff Balding, who later became secretary, president and delegate to the Victorian Karting Association.

Mr. Balding, one of the club's keenest competitors, spoke this week of the changes in karting and of his interest in karting as a sport.

He recalled, "In the old days we raced on what is now that Metropolitan Board of Works sewerage farm."

"The karts themselves were hornet framed, powered by Victoria motor mower engines or 200 cc Villiers engines."

"They were virtually flying bedsteads." He said, "At that stage we hadn't developed good steering systems, brakes or found the right sort of tyres."

"When a driver came to a corner he turned his wheel and the kart would seem not to answer, but luckily it did usually."

"The tyres were Australian made and solid, they didn't have the cornering ability of modern imported tyres," he said.

The business of go-karting has become

progressively more expensive since then.

Mr. Balding said the newcomer to the sport could spend \$150 to \$300 buying a second hand kart and would have to be prepared to spend about \$10 a week on parts and up keep.

The machines now, days have centrifugal clutches, power brakes and are on average a little over half the weight of the predecessors.

Regulations limit the size of both the vehicles and their engines.

They must be no more than five feet long, three feet wide and two feet high.

In case you have the idea that karting is a kids sport, some of the karts can do over 118 miles per hour.

This type of racing is limited to tracks like Calder, which have comparatively long straights.

The limit on size is 200 cc., which doesn't really worry many of the members.

The 100 cc. motors many of the members use can develop speeds of up to 65 miles an hour, frightening when you're two or three inches off the ground.

This doesn't seem to deter the die hards, who seem anxious to go, go, go.

It hasn't worried Mr. Balding, who apart from his own championship wins apprenticed his 15-year-old daughter Donna, to the sport.

His wife Joyce, and other two children Kevyn and Doris take more of a spectator interest.

At the moment the club is racing on the old Williamstown Racecourse, on the recreation reserve.

Members laid many tons of blue metal on the 400 yard, 24 ft. wide track.

If anyone is interested in going along for a look, the club's next meeting will be on Sunday, May 2.

Constable reads interview record to court.

Altona girl smashed windows in anger

The father of a girl convicted of having caused wilful damage, told Williamstown Court last week he should have been before the court on the charge, not his daughter.

Gail Murdoch, of 7 Hancock Street, Altona, pleaded guilty to two charges of having caused wilful damage to plate glass windows and a door.

Mr. Hancock, a crane driver, of the same address, told the court he and his wife separated just before Christmas, and now only Gail lived at home with him.

He said Gail's home had not been happy and this was the reason she had broken the windows and door.

He gave Mr. Hammond, SM, a letter from a Footscray psychiatrist who treated his daughter last year.

Mr. Murdoch told the court that Gail had settled down in the past few months and seemed much happier.

He said she enjoyed her job as a bread carter and had held the job for a long time in comparison to her other jobs.

First Constable Stuart McDonald, of the Ascot Vale Crime Car Squad, told the court he was on duty in the Altona area on January 10 this year. He said he found the

front glass window of a shop at 82 Pier Street smashed, and the glass door of a supermarket door four doors also broken.

He added that he received information to go to the Murdoch's house in Hancock Street, and later took both Gail and her father to the police station.

First Constable McDonald read the court a record of interview with Gail Murdoch, in which she admitted throwing rocks through the glass because she was upset.

She said she had a slight argument at home and instead of taking her anger out on her family, she took it out on the windows.

She said she didn't start out from home to break the windows, but

wanted to do something against the law to get even.

She added that she went round to the Altona police station afterwards to report the breakage.

Mrs. Jean Badham, of 58 David Street, Altona, told the court she was manageress of Bradman's shop at 82 Pier Street.

She said when she came to open the shop on Monday, January 11, the plate glass window to the right of the door was smashed.

She added that a rock had gone right through both the window and a glass door a few feet behind it.

Mrs. Badham told the court it cost \$160 to replace the glass.

The court was told that the plate glass door to the National Supermarket at 86 Pier Street was also smashed.

Murdoch admitted prior convictions for stealing

from shops, illegal use of a motor car, larceny of petrol and unlicensed driving.

Mr. Hammond said the court could feel compassion for people with psychiatric problems, but it also had to protect people and their property.

He warned Murdoch that if she continued as she was, it would not be long before she received a gaol sentence.

Mr. Hammond said he was surprised to see a girl on a charge of violence like this one.

He placed Murdoch on probation for three years, and stipulated that she should attend a psychiatrist as a condition of probation.

He said she should pay \$160 to Bradman's and \$60 to National Self-service, as compensation for the windows, and agreed to let her pay \$3 to each each week.

Hello Girls.

Big News! I have had quite a few asking for the Revlon Special on Aquamarine and Intimate Hand and Body Lotion. It is here now Girls! Marvellous value. Big economy size with all the perfume of Revlon's two great perfumes. Also, included are large size Silicare and — yes — large tube of hand cream. Be quick, they won't last long. Have had the whisper on two great new additions to the Aquamarine range that will arrive shortly too, Girls! A Friction Body Cologne and a Refreshing Body Balm, but tell you about these later. Something else to interest all, well nearly all, I'm sure there are not many of us that do not use some kind of hair coloring (and you know that the wrong, too strong shampoo drains away your new coloring only too quickly). A Revlon Special Hair Care Kit — a regular size Flex. You know its merits and a free Aquamarine shampoo — for tinted and bleached hair, all for the price of the Flex Conditioning Cream.

Introducing four new products to Cyclax New Juvex range.

Firstly New Juvex is a luxurious skin care collection specially formulated to give dry skin total, co-ordinated care twenty-four hours a day. Let's refresh our memories. Their night care — New Juvex Deep Cleanser, a rich emollient that even removes eye makeup. New Juvex Toning Lotion quietly astringent, non-drying. New Juvex Cream for the face, luxurious and potent, formulated to restore natural oils and moisture. New Juvex Cream for the neck — rejuvenating action. Now! New! Neo Juvex Beauty Oil! Instant beauty care. Deeply penetrating oil rich in penetrating nutrients. Vanishes without trace the moment it touches your skin. Works from within to make you lovelier tomorrow. Day Care. Moisture Film — an excellent under makeup cream. New! Neo Juvex Day Eye Cream — smooths out tension lines invisibly under makeup. Gradually softens deep lines, smooths away tiny lines completely. New! Neo Juvex Firming Lotion for the Face. A super rich under makeup film that literally makes the complexion look younger, firmer. It lifts, tautens and smooths. New! Neo Juvex Firming Lotion for the Neck. A companion film — this lotion is especially for the throat and neck. Smooth on to erase lines, softens wrinkles and crepey dryness — give a younger firmer sweep to the line of your neck.

Have a chat to us about these wonderful new lines in cosmetics, Girls.

• HUME QUARRY REGION SHOPPING CENTRE

ALTONA LOSES TRADE TO OTHERS

— DEVELOPERS SURVEY

At a recent deputation to Altona Council, representatives of Lewis Development Pty. Ltd., advised that the company had exercised options on the Hume quarry site as per proposed development plans which had been submitted to Council.

Mr. Goodsall (Lewis Development) explained that the result of a feasibility study had ascertained that there was a need for a shopping centre of the proposed type in this area.

Analyses of business indicated that a great amount of spending power from this area was lost to other areas because of the lack of this type of Regional shopping centre and associated service in the locality.

The shopping centre would be occupied by various stores and shopkeepers on a lease basis.

There would be adequate provision for off-street parking.

In reply to a question by Altona's mayor, Cr. D. Grant, Mr. Funnell (Lewis Development) stated that the proposal had been brought forward with the knowledge that there would possibly be a similar complex in the Maribyrnong area.

In reply to a further question by Cr. Grant, Mr. Goodsall stated that effluent discharge would be per medium of pumps to sewers or storm water drains as appropriate.

In reply to a question by the chairman, it was stated that the quarry face would not be touched except for stabilisation purposes as required by the City Engineer.

In reply to a question by Cr. Burns, the deputation advised that discussion was still taking place at engineer level regarding traffic design.

It was proposed that the opening of the complex would be in March, 1973.

Cr. Sommers raised the question of possible traffic problems with entry from Duosa Road and Beuron Road.

The reply was that these matters were the subject of detailed analysis and traffic engineering decisions which had still to be made.

**ALTONA PETROCHEMICAL COMPANY
TO RECEIVE LEGAL NOTICE****ACTION AGAINST POLLUTION****14 DAYS TO ABATE
ODOURS, NOISE**

As a result of opinion received from Altona council's legal advisor, appertaining to the much debated Altona Petrochemical Company case, a resolution was passed at the last council meeting:

A notice will be served on the company in which the council of the City of Altona requires the Altona Petrochemical Company Ltd. within fourteen days from the dates of the service of this notice to abate the emission of offensive

odours and excessive noise and to execute such works and to such things as are necessary to prevent the recurrence of the nuisance.

Cr. Crofts, speaking on pollution, said that he had read a paper prepared by Mr. Paul Le Roy on clean air legislation in Australia.

While Mr. Le Roy emphasised the need for uniform air pollution control, unless the States gave up their powers as per section 107 of the Constitution Act, Com-

monwealth legislation was not possible.

Cr. Crofts said he believed that council should consider steps necessary towards urging the Commonwealth Government to examine environmental problems in depth.

He noted that Victoria has been the first state to legislate toward pollution control.

The function of the clean air department in Victoria was to investigate matters, brought to its notice and to act as an advisory body.

Cr. Crofts said he believed that legislation was in need of revision and that more staff and authority should be given the Clean Air Department.

CAMERA CORNER

Nature photography is the title of the lecture at the meeting of the Williams-town Camera Club on May 7.

Nature photography requires a knowledge of plants and animals as well as of your camera. As you get more experience with both, your pictures will im-

prove. High shutter speeds are required for birds in flight.

A handy tip for insect photography is to use a fine net to trap them, place them in the refrigerator to make them inactive and then pose them in a suitable setting.

The club meets in the Methodist Church Hall, Electra Street. Visitors are always welcome.

BIRTHDAY

More than 27 friends attended 21st birthday celebrations for Vicky Robertson recently.

Vicky, only daughter of Vic and Nancy Robertson of Belmar Avenue, Altona, was 21 on April 11.

Special guest at the party was Mr. John Collier.

FAREWELL

Friday was a sad day for the members of the Altona Elderly Citizens Club, when they farewelled a staunch member and friend, Mrs. M. Keeshon.

President of the clubs' welfare committee, Mr. A. Bond, presented Mrs. Keeshon with a rocking chair.

On behalf of the indoor bowlers Mrs. Keeshon was presented with a sheath of flowers.

Good crowds attended the Tuesday and Thursday afternoon meetings - this week.

The indoor bowls team, Mr. H. Snowling, Mrs. E. Snowling, Mrs. M. Sturrock and Mr. W. Dickinson defeated the House of Happiness team.

The B team defeated Williamstown. The team was Mrs. M. Reay, Mrs. C. Kimpton, Mrs. N. Barber and Mr. T. Gerrard.

The club would like to correct an error made last week. The rug donated as a prize by Mrs. Woodyard was not won by her, but by her next-door neighbor Mrs. V. Timms.

DISPLAY GOES WELL

The Altona Historical society opened its new museum at the weekend.

About 70 people took advantage of the occasion to browse through the displays, some of which centred largely on the history of various clubs and organisations in the area. The display will be opened next Saturday from 10 a.m. to 1 p.m. and from 2 p.m. until 4.30 p.m. on Sunday.

The society has appealed for information about a photograph of girl guides which is dated 1938. Histories of some clubs and organisations are incomplete, and the society is looking for further information on some of these as well.

JIVEENA WIG PARTIES

LADIES, invite a few friends around and have the fun of trying on wigs in your own home. Wide range of styles and colors.

Baptist news

Miss Kay Martin, an office secretary who worked for the Australian Baptist Society in East Pakistan, spoke to the Baptist Girls Fellowship last Monday night.

Miss Martin was also the guest speaker at the ladies morning fellowship on Tuesday.

At both meetings she spoke on the work of Australian Baptists in East Pakistan.

Fifteen girls and three leaders of the Baptist Girls' Fellowship will leave Altona by train at 9.30 a.m. next Saturday to take part in a Walkathon at the Botanic Gardens in Melbourne.

The girls are seeking sponsors for their walk and the money raised will go towards the B.G.F. Missionary Service Fund, The Christian Education Department and the B.G.F. General Fund.

Last year the girls raised nearly \$18 towards this, and hope to do much better this year.

About 30 teachers from Baptist Churches in Altona, Williamstown, Newport and Yarraville took part in a Teachers' Conference, last Sunday afternoon at the Newport Baptist Church. The conference was designed to help teachers be better informed about latest teaching methods.

Next Friday this group

will meet at the home of Mr. Knell, 2 Myrtle Grove, Altona to discuss "God — Who He is." The meeting will take the form of small buzz groups at first. These will later combine and bring their findings together at the close of the evening.

Last Friday Mr. George Arnett, a school teacher, spoke to them on "Knowing God's Will for Your Lives". Approximately twenty attended this group.

Next Sunday Family Worship and Sunday School will be conducted at 9.45 a.m. and the Worship Service at 11.15 a.m.

Because of the increasing number of younger worshippers at the 7 p.m. service, the minister, Rev. R. J. Reynolds plans to meet their interests and to encourage families to attend this service.

Members of the Williamstown Pony Club spent Easter in a camp at Riddell's Creek.

This is the fifth camp the Williamstown club has held at Riddell's Creek, and one of the most successful so far.

He added: "Adults who require the vaccine should apply to their local council health department."

"Alternatively, they may obtain the vaccine from their local doctor. The vaccine is provided free of charge, although the recipient is responsible for the doctor's fee."

ALTONA HANDED A THRASHING

Altona Hockey Club seniors were beaten 9-0 in their game against a tougher, more experienced Powerhouse team in the last round.

The game also put one of their star players, Bruce Forrester, out for at least four games with an injured leg.

Forrester, who played for the State side last season, is one of Altona's most experienced players. The club also lost Alan Baille, who tore a groin muscle before the game. Altona opened with a steady game and kept Powerhouse scoreless for the first 20 minutes of play.

On the back line Jock Smith, Wal Lenyszyn and Bob Verity were an able trio, stopping many of Powerhouse's attacks on the threshold of success. Up forward Richard Lukosek and Shane Cronin combined well to push the ball forward, however fruitlessly.

At half time Altona

were on the defensive. Forrester had sprained the lower part of his leg, and Powerhouse were two goals ahead.

Powerhouse seized the initiative in the second half, and despite a rousing speech by Max Blakiston, Altona eventually went down.

The young Altona team say they've learned by their mistakes and are looking forward to next week's

game against Camberwell at home.

UNDER 16

In the under 16 match Altona went down to Fairfield 1-0.

Altona had the opportunity to notch their first win against a weaker Fairfield side, but did not convert their chances to points.

Highlight of the game was the steady teamwork by Ian Daly, Kevin Bend and Steve Ranger.

Lacrosse team's sad opening

The Altona senior lacrosse team was savagely put down in the opening game of the season against Eltham at the weekend.

Eltham showed their supremacy time and again as they broke through Altona's defences.

Highlight of the game was new player young Graham O'Connor, who put the veteran Altona boys to shame with his tenacity.

The game was remarkably incident free, but Altona were left high and dry, with the score 14-3 Eltham's way.

Club members voted

Ray Dickens best and fairest player of the match, followed by Graham O'Connor and Trevor Danger.

Goal scorers for Altona were Johnny Houston 1 and Trevor Danger 2.

Next week's game is against Malvern at Malvern.

Anyone interested in following or playing Lacrosse could contact Niel Workoyes on 391 3724 or Michael Ragas 398 1793.

Office bearers elected

New office bearers were elected at the last meeting of the Westona Little Athletics Club on April 15.

New club president is Mr. J. Knight, assisted by Mrs. E. Nevitt, secretary and Mrs. C. Penfold, sec retary.

Other officers elected were Mr. G. Nevitt, Mrs. B. Clarke, and Mr. K. Donahue.

On the committee are Mr. P. Dodd, Mr. J. Green, Mr. A. Ritchie, Mr. T. Feeny, Mr. E. Donahue and Mrs. J. George.

The first committee meeting will be held on May 20 at Delmont Avenue.

Westona Club members are reminded that Altona Centre presentations will take place next Sunday, after the cross-country run at Cherry Lake.

Cross-country season opens for Littlies

Competitors and club managers are reminded that the Altona Little Athletics Centre cross country season starts next Sunday at the Football Pavilion, Grant Reserve.

Basketball victories

Altona Methodist had four wins out of the six teams entered in the Williamstown and districts Basketball competition.

A grade defeated Williamstown Baptists 62-5.

A reserve were narrowly defeated by Holy Trinity 25-27.

B grade 1 defeated B grade 2 — 31-17.

B grade reserve defeated Yarraville Baptists 30-16.

C grade defeated Altona North Comb. 24-5.

Next games:

A grade v Yarra Cong./Pressy at Seaholme 3.15.

A reserve v West Gate at NSS 3.15.

B grade 1 v West Gate 2 at Seaholme 1.45.

B grade 2 v West Gate 1 at NSS 3.15.

B reserve v Yarra Cong./Pressy at Seaholme 1.45.

The race will start after the presentation at 1 p.m. of the best boy and girl competitor trophies for the 1970-71 track and field season.

Competitors are requested to wear their club uniforms, running shorts and an old pair of sandshoes for the event.

Parents attending should bring a barbecue tea and help make the afternoon an enjoyable one for the children.

Mr. Alan Barling, the executive council member has advised that cross-country events be held every three weeks at the You Yangs Reserve, where excellent cross-country and picnic facilities are available.

It is expected an even larger number will compete in the event this year than in other seasons.

Announcements of future events will be made through the Altona Star.

A great start for Centrals

Altona Central Football Club started the season with a tremendous 87-point win over Laverton at the weekend.

Final scores re Central 19.13-127; Laverton 6-4-40. Hatzil, Szatkowski and Cole launched the attack for Central with three quick goals.

The game remained scrumbly for the first quarter until intelligent handball by captain Ken Collins opened up the game.

Central never looked

like losing; their rucks dominated the air, and as the scores indicate, they kept the ball on their forward line, not giving Laverton a chance.

Best for Central were K. Gilchrist (3), R. Cole (4), N. Davies, D. Rokhamter (2) and L. Thwaites.

Other goal kickers were M. Hatzil (2), R. Smutny

(2), M. Lawrin (2), Doug Gray (1), E. Szatkowski (1), Danny Gray (1) and K. Collins (1).

Clubman Alex Evans said all the boys were

looking forward to playing their old rivals, Altona City, in the next game.

Central and City played off in the grand final last year.

TO PLAY RUGBY FOR VICTORIA

Four local boys, Ross Ritter, Bruce Cutlack, Noel Howard and Robert Grieves, will represent Victoria at Rugby Union against New Zealand in May.

The Westgate Junior Rugby Union will hold trials next Sunday at Footscray Park to pick the teams for the forthcoming Sydney trip.

Two teams will be chosen for the under-12 and under-16 competitions against the Eastwood District Junior Rugby Union.

Last weekend's games: Under-12, Williamsstown/Altona Ramsdens 14 defeated Sunshine 12.

The game was played at The Strand Reserve, Newport in dry conditions. An even hard-running game with both sides showing improving tackling. Referee Mr. J. Terris.

Scorers: Ramsdens, Martin Humphries 3 tries, Peter Allen try, Dale Anderson goal, Sunshine R. Smollie 3 tries, C. McPherson try.

Under-14 Sunshine 12 d. St. Pauls College 11. The game was played at Footscray Park. St. Paul's new players showed a better understanding of the game than Sunshine. The evenly contested games should encourage both teams.

Scorers: St. Paul's College, Tries W. Gordon, M. Gilmour 2, S. Angus goal, Sunshine, Tries, B. Stanley 2, W. Goring Shane Franklin.

Under 16: Moorabbin 17 d. Altona North 3. This game was played at Moorabbin.

Altona was given a hard run to break in new players against last year's outstanding team.

Newcomers, Charles Schembri, tackled well, supported by Theo Cialmatzis.

The team should have a good year.

Under-18 Footscray 15 d. Harlequins 5. Played at Footscray Park.

Footscray dominated the play against the new team Harlequins, and showed good running form.

Scorers — Footscray Ray Wright 2, G. Burnett 2, S. Murphy 1.

Next Week's matches. Under-12 W/A Ramsdens v. St. Paul's Pri-

mary at The Strand Newport 9 a.m. Sunshine v. Williamsstown at Footscray Park at 9 a.m.

Under-14 Altona North v. Sunshine at Langshaw Reserve at 10 a.m. St. Paul's College v. Williamsstown at The Strand at 10 a.m.

Under 16. — Altona v. Box Hill at Langshaw Reserve at 11 a.m. Williamsstown v. St. Paul's College at The Strand at 11 a.m.

Under-18: RAAF v. Footscray at Laverton.

ALTONA DOWN 2-1 IN SOCCER

Altona versus Macedonia on Sunday was one of the most exciting football (soccer) games yet seen at Kim Reserve.

Macedonia (Preston) Jimmy played a tremendous game and will, in his own words, see out another season.

He was disappointed with Altona not converting possibilities into goals.

Highlights of the game were equally spread between the visitors and the home team goal keepers.

Both had their moments.

Ray King was the man who suffered.

He had two shots and a header for goal, which normally, except for the rugged defence, would have been on the board.

The Altona Reserve, eleven had more luck and defeated Preston 7-0.

Micevski, Straubier and Iordahus were in top form and really kept the crowd on its toes.

The star of the game was Murphy, who helped himself to three goals, and who must surely be considered for a senior game.

Next week's game will be against last year's State side at Sylvia Park.

Newport Baseball

Newport Baseball Club got off to a bad start last Saturday in the opening round, losing two matches and giving a walkover in the third.

The loss of three players to A grade clubs and the unavailability of several others has seriously depleted the playing strength of Newport's three senior teams.

Playing Flemington at Newport last Saturday, the A team lost 17-5. The B team, through a misunderstanding in starting times, gave Flemington a walkover. The C team, made up of many junior players, was well beaten by Flemington.

Next Saturday, the A team plays Fitzroy away at 2.45, the B team are at Newport at 2 p.m. and the C team plays at Fitzroy at 12.30 p.m.
